### **From the President:**

I wonder how many conversations over the past 12 months began with "2020-What a year!" Each of us must have scores of stories and reflections about how unique, challenging and difficult life has become. For me one of the more positive and encouraging aspects of the past year was the kindness people demonstrated toward each other. This was especially true of the generosity of each of you in your support of our library. Your kind giving reflects the importance we place on keeping our library a vibrant cornerstone of our community. Through your gifts the Foundation has provided significant support of the library including a major allocation toward much needed capital improvement for the building. On behalf of the Foundation Board I want to thank you so much for your kindness. Hopefully sooner than later we really can "see each other at the library".

### **Invest in Our Community, Our Library, Our Future**

Since 1874 the Menomonie Public Library has provided information, entertainment & programming that enriches the lives of people in Menomonie & Dunn County. Government funding does not pay for all of that. Foundation support allows the library to expand programs for the whole community: fueling literacy, opportunity & lifelong learning. Every donation helps! Donate on our website or at the library. The Menomonie Public Library Foundation is a 501(c)3. All donations are deductible as allowed by law.
